

Subject: Elevate Deployment Booster – Conditional Approval

Hello [Seller Name],

The customer opportunity (XXXX) you submitted for the Elevate Deployment Booster Program has been conditionally approved by the program sponsors.

What does conditional approval mean?

Based on the information submitted, the opportunity currently meets the program's eligibility and ROI requirements.

What happens next?

No action is required from you at this time. Once the opportunity closes, our team will issue a voucher to the customer so they can work with an [eligible partner participating in the Elevate Deployment Booster Program](#)(opens in new window).

Important: The voucher amount will be based on the ROI value of the opportunity when it closes, not its current value.

If you have any questions, please let us know.

Thank you,

Elevate Deployment Booster Team
